JOINERY TIMBER & BESPOKE MACHINING

We stock considerable volumes of high quality sawn Redwood and Whitewood, all sourced from leading producers in Scandinavia. As well as standard Unsorted and Fifth qualities in most sections from 100 x 225mm down to 19 x 100mm, we stock WISA centre free Redwood and wide Whitewoods in several dimensions.

With 6 modern moulding machines in our two sawmills, we are able to offer a first class bespoke machining service including cross cut components.

Please phone our sales office with your enquiries for both sawn timbers and timber machined to your profiles.
