**JOINERY TIMBER & BESPOKE MACHINING**

We stock considerable volumes of high quality sawn Redwood and Whitewood, all sourced from leading producers in Scandinavia. As well as standard Unsorted and Fifth qualities in most sections from 100 x 225mm down to 19 x 100mm, we stock WISA centre free Redwood and wide Whitewoods in several dimensions.

With 6 modern moulding machines in our two sawmills, we are able to offer a first class bespoke machining service including cross cut components.

Please phone our sales office with your enquiries for both sawn timbers and timber machined to your profiles.
